

# Parental Alienation (PA) Workshop and introduction to Hostile-Aggressive Parenting (HAP)

Saturday April 22, 2006. 9am - 5pm (Toronto, Ontario)

**Harvey C. Shapiro**, a prominent U.S. law enforcement professional and private investigator and expert in the field of child abuse, mind control, and false memory, will be coming to Toronto to present a one day interactive workshop on alienation, memory, suggestibility, and the general re-unification process of children affected by Parental Alienation (PA).

Mr. Shapiro has substantial experience presenting to a number of organizations and at many events, including National Center for Missing and Exploited Children, Family Rights Organization Network Task Force in Chicago, Northwest Child Abuse Defense Resource Center in Washington, Victims of Child Abuse Laws National Annual Conference in Phoenix, National Child Abuse Defense Resource Center in New Orleans, and Florida Association of Licensed Investigators on the topic of "Child Abuse Investigations."

This workshop is of interest to legal and health care professionals who are involved with Parental Alienation and Parental Alienation Syndrome (PAS). Even parents with affected children would benefit from attending.

The workshop will consist of a structured presentation in the morning, followed by an interactive discussion, and question answer period in the afternoon. The subject of Hostile-Aggressive Parenting (HAP) will also be discussed during the afternoon. Cost is \$85 for the all day event. Seating is limited so interested persons are urged to register early.
