

## *Investigator's Report*

**Wednesday December 20, 1995**

**12:00 am** Investigator EZK arrived at York Central Hospital, 10 Trench Street, Richmond Hill where ██████████ ██████████ was employed.

**12:35 am** A female, who the Investigator knew from a previous investigation to be ██████████ ██████████, came out of the emergency room doors. She got into a Dark Blue 4 - door Chevrolet, licence plate no. 516 XDO. This vehicle had arrived approximately 5 minutes before ██████████ came out of the hospital and was parked just outside the doors. The vehicle was driven by a clean shaven caucasian male, approximately 50-55 years of age with thin grey balding hair.

They drove out of the hospital and made their way to BATHURST STREET. At BATHURST they went NORTH to TESTON ROAD, then WEST on TESTON. While on TESTON ROAD, approximately mid way between BATHURST and DUFFERIN, the vehicle pulled over to the side of the road and stopped. (Note: there were no vehicles on this road other than the Investigators and the Blue Chevrolet.)

After a couple of minutes, the Investigator noticed that ██████████ head could no longer be seen. It was not clear what she was doing, but the next time her head was seen was about 6-7 minutes later. Approximately 10 minutes after stopping the vehicle, they drove away continuing WEST along TESTON ROAD. At DUFFERIN STREET, they turned into a Gas Station, stopped briefly then continued. At no time did anyone get out of the vehicle.

**1:05 am** It was believed that they may be suspicious, and therefore it was decided to discontinue the surveillance.

**NOTE:** This vehicle was found to be registered to The Regional Municipality of York o/a York Regional Police, 17250 Yonge Street, Newmarket, Ontario.
